Achievements

Nov 2018

Pangolin Award for most outstanding system architecture

I received this certificate for my project "Outdoor Creative Voices Institute". A desktop application with Java and JavaFX to aid the management of a banking system using Object Oriented Programming and Design Patterns.

Apr 2019

Top Student: Interactive Development 300

I received the Top student award for the major Interactive Development in the school of Creative Technologies at The Open Window Institute.

Apr 2019

Top Student in School of Creative Technologies

I received the Top student award for best student out of all three departments within the School of Creative Technologies (Development, Design and 3D design). This was accompanied by a R50 000 bursary to complete an honours degree the following year.

Nov 2019

Pangolin Award for most engaging honours research paper

I received this certificate for my research paper titled - ALGORITHMIC BIAS IN SOUTH AFRICA: How incomplete and unrepresentative data caused by a history of Apartheid can be addressed to prevent systemic racial discrimination.

Sep 2020

Top Honour Student

I received the Top Student award for Bachelor of Arts Honours in Visual Communication - Specialising in: Interactive Development.
